

Pricing for Engineering Documentation

Effective November 1, 2013. All amounts are in US Dollars.
Supersedes all previous pricing

ROHN Standard Drawing Packages Included with New Orders

- **Design/Permit Package:** (4) Hardcopies, ships ground (2-3 days)
- **Assembly Drawings:** (1) Hardcopy, ships with hardware carton (includes Metal ID Tag)
- **Product Review:** (2) Hardcopies, ships ground (2-3 days)

Note: Electronic copies of the above are also sent via email at time of hardcopy shipment.

Supplemental Items Available with New Orders

- | | |
|---|-------|
| • Each additional hardcopy set shipped with the above standard packages | \$50 |
| • Drawing Packages requested within 1 calendar year of shipment (per set) | \$50 |
| • Overnight delivery of a Drawing Package, Product Review or ID Tag | \$50 |
| • Oversized hardcopy Drawing Package (per set) | \$100 |
| • P.E. Seal each page of Design Drawings and first page of Calculations (per set) | \$100 |
| • P.E. Seal first drawing of Assembly Drawing Package (per set) | \$100 |
| • P.E. Seal each page of a Drawing Package and/or Calculations (per set) | \$250 |
| • P.E. Seal miscellaneous Letters or Forms | \$750 |

Note: Additional P.E. Sealed Drawing Packages or Product Reviews requested after 1 calendar year from shipment will require reanalysis based on current Standards and Analysis Methods (quoted on a project-specific basis).

Documentation Requests for Existing Structures/Products

- Electronic Data Base Search
(Note: Design drawings/calculations provided with original structures are **not** available)
 - Assembly Drawings with or without Foundation Drawings \$550
 - Geotechnical Report \$550
 - Geotechnical Report and Structure/Foundation Data combined \$800
 - Product Data – connection details, etc. (Fabrication Drawings **not** available) \$950
 - Nominal Section Weight Summary \$300
- Design Drawing Package (P.E. Seal included) for a site name change only \$250
- Foundation Design (P.E. Seal included) for a new site \$500
- Concrete Pole Data \$550
- Hardcopy Archive Search (available when Electronic Data Base Search fails) \$850
- Replacement Metal ID \$100
- Overnight Delivery within the U.S. of Documentation or ID Tag \$50

Engineering in Advance of Orders

(Engineering costs may be credited with a firm order for structure/product within 90 days)

- | | |
|------------------------------------|---------|
| • Design Drawing Package | \$1,000 |
| • Foundation Design | \$500 |
| • Assembly Drawing Package | \$1,000 |
| • P.E. Seal Catalog Design Package | \$250 |

The services of an outside engineering firm will be needed for the following (quoted on a project-specific basis):

California: structures for a school or a hospital. **Oregon:** any structure considered special by a building official.

Hawaii: any structure.

Washington: structures over 100 feet.

Nevada: structures over 100 feet.
